GABRIEL W. GORENSTEIN, United States Magistrate Judge

With regard to the application made in Docket ## 735, 736, 741, the motion for a protective order as to the deposition of Mark Walter is granted in light of his apparent lack of unique personal knowledge of the issues in this case, the ability to obtain information from other sources, and the Court's consideration of the factors in Fed. R. Civ. P. 26(b)(1), including the importance of the discovery and the burden on Walter. In the unlikely event future depositions show unique personal knowledge of Walter, the application may be renewed.
